Synopsis

Smart, sassy and full of everything you need to know. This is the ultimate guide to writing - and selling - an erotic novel. It will help you to understand erotica - what it is, and isn't, the subgenres, the conventions, the big do's and don'ts - as well as giving you the inspiration and support you need to actually write. Essentially, over a third of this book contains information on how to sell your book - whether to an agent, to a publisher or directly to the reading public yourself. It features up-to-date insights and advice on self-publishing, both digitally and traditionally, and strategies for self promotion using blogs, social media and reviews. Full of practical tips and creative inspiration from a bestselling novelist, this book is all you need to turn yourself into the next EL James.
