Miracle Girls #2: Breaking Up Is Hard To Do: A Miracle Girls Novel

Synopsis

Ana, Christine, Riley, and Zoe have grown closer than ever over the past few months, but summer is over and it's time to put their friendship to the test. It's been a little over a year since Christine Lee's mom passed away in a tragic car accident. Now her dad is engaged to Candace--"The Bimbo"--and Christine couldn't be less thrilled. When her attitude starts to take a toll on her schoolwork, the administration forces her to attend counseling sessions. At least she gets to skip gym class! But with her father's wedding inching closer, Christine is growing even more bitter. To make matters worse, the Miracle Girls are beginning to drift apart. Christine's anger and the pressures of high school threaten to break the girls up when they need each other the most. Will they find a way to join together to help Christine come to terms with her mother's death . . . and her father's remarriage?

Christine Lee is a Sophomore in high school. This young lady has a love of art and she wants to be a famous painter one day. It's been a year since Christine Lee's mother died in an automobile accident and even though she no longer acts out by dyeing her hair bold colors she is still grieving. Christine's dad is about to marry Candace and the last thing Christine wants is for another woman to take her mother's place. This is the second book in The Miracle Girls series. In the first book, Zoe was the one who thought it was important to start The Miracle Girls, but in this book it's Christine

who seems to care most about the group. She sees them as the only family she has since her mother died. It's the first day of school when the story begins. The Miracle Girls enjoyed each other's company over the summer (So here are the Miracle Girls, after an incredible summer together, parked under the big "Sophomores" sign/pg 1), and, according to Christine, they were close then. But since the authors didn't let me in on what happened with Ana, Zoe, Christine and Riley during those months, I couldn't really get how The Miracle Girls became closer since the first book. It would have been nice to know exactly what it was that made their relationship 'special' as Christine called it. In the first book they had just become The Miracle girls. In this one they don't spend as much time together as I thought they would. When Christine referred to Candace as a 'Bimbo' in the first book, I thought that was unkind but then I figured she must have had her reasons; maybe she was being mistreated. That wasn't the case at all. The madness at home seemed to be in her own mind, because she didn't like that Candace was there. But Candace seemed to be doing what she could to get along with Christine.
