# Overview: A New Perspective Of Earth

## Synopsis

A stunning and unique collection of satellite images of Earth that offer an unexpected look at humanity, derived from the wildly popular Daily Overview Instagram account. Inspired by the "Overview Effect"--a sensation that astronauts experience when given the opportunity to look down and view the Earth as a whole--the breathtaking, high definition satellite photographs in OVERVIEW offer a new way to look at the landscape that we have shaped. More than 200 images of industry, agriculture, architecture, and nature highlight incredible patterns while also revealing a deeper story about human impact. This extraordinary photographic journey around our planet captures the sense of wonder gained from a new, aerial vantage point and creates a perspective of Earth as it has never been seen before.

## Book Information

Hardcover: 288 pages

Publisher: Amphoto Books (October 25, 2016)

Language: English

ISBN-10: 039957865X

ISBN-13: 978-0399578656
