Customer Reviews

I recently purchased this book because I am an exetreme Hello Kitty fanatic. This book has become the favourite of my collection. The picture just make you want to smile and the Haikus that go along with it are fun. This book is purr-fect for any Hello Kitty fan of any age!

This was a really cute book. The photos were crisp and clear, with vivid colours and a lot of them made me laugh. The writing is simple, and void of any real emotion/thought (but that's ok, it's not supposed to be, just wanted to mention it!) It's a cute book for kids and adults alike. A cute gift for any Hello Kitty fan, or a all ages friendly coffee table book.

My daughter and I both love Hello Kitty, so I had to purchase this when I saw it! The pictures are adorable and get a smile out of anyone that opens the book. It also has great ideas for the place in the mall where you can build your own bear, as many of the outfits and Hello Kitty herself came from this very store!

Bought for almost 4 year old. The pictures are so colorful and vibrant. Not many words on each page, she loves to tell the story herself. She talks about what Kitty is doing in each scene. Very cute.

I just love the Hello kitty through the seasons book !The pictures are great,and it's the cutest book ever.It's for all age groups.You don't have to be a hello kittylover to love this book.
