The Writer's Harbrace Handbook, Third Edition

Synopsis

The Writer's Harbrace Handbook, Third Edition, is grounded in the belief that an understanding of the rhetorical situation-the writer, reader, message, context, and exigence (the reason for writing)-provides the best starting place for effective writing and reading. This edition guides student writers in employing that rhetorical understanding as they choose the most effective information to include, the best arrangement of that information, and the most appropriate language to use. This writing-first handbook moves students through the steps that constitute successful writing, from finding appropriate topics and writing clear thesis statements to arranging ideas and developing initial drafts.

Customer Reviews

Easy, no fuss reference guide deconstructing the English language. Great for college students. It was recommended to me by my technical writing professor.

The item was received quickly and this was important since it was for a class.

If your trying to buy a book that teaches you how to write this is it. This hand book will teach you all about proper writing.

the product was delivered in a timely fashion and was in the "as-stated" condition. it was used but

the book was still in tact with no damage. highly recommend seller to any potential buyers

book was sent in a timely fashion,arrived in great condition.thank you.
