# Black & Decker Carpentry: Remodeling: Hundreds Of Step-by-Step Photos

## **Synopsis**

Remodeling improves your home and makes it fit your changing needs. You increase the value of your home instead of paying the high cost of building or buying a new one. Carpentry: Remodeling uses hundreds of helpful color photographs to guide you through framing and installing doors or windows along with directions to help you build or remove walls. This book gives you complete directions for planning and completing many common remodeling projects. Even if an outside contractor is needed to tackle the structural elements of a major remodeling job, Carpentry: Remodeling will help you save money by giving you the knowledge to finish the job yourself.
