If You Really Loved Me: 100 Questions On Dating, Relationships, And Sexual Purity - Revised And Expanded

Synopsis

Have you ever asked yourself. . . Why should I wait for marriage to have sex? How far is too far? How do I say ? What if we really love each other? How do I find the right spouse? What about safe sex? How do I know if this is love? Men and women of all ages feel compelled to take their relationships to the next level- meaning they think it's time to have sex, not to try on wedding rings. Chastity author and speaker Jason Evert addresses these issues, and dozens more, in *If You Really Loved Me: 100 Questions on Dating, Relationships, and Sexual Purity*. The questions in this landmark work are the most common ones Evert is asked when speaking about the virtue of chastity in hundreds of Catholic, Evangelical Christian, and public schools. His humorous, friendly, and blunt approach opens hearts and minds to a topic often either rejected out of hand or misunderstood. Teens and young adults will find this book a useful guide to starting a relationship, deciding one's vocation, one day finding a potential spouse, and maintaining purity - without forsaking love. This book will give parents and educators new insights to help teens know the difference between love and lust. Straight answers to tough questions.

Customer Reviews

I don't write reviews (this being my first) but I MUST make an exception for this book. I agree with the last reviewer's title, "Don't listen to Moral Realtivists." This book is replete with Scriptural references and Catholic Theology but it is applicable to all theists of every denomination and religion. Mind you, the book is speaking of morality from the Christian perspective so if you don't like Christianity or believe in moral absolutes then I don't recommend that you put pointless reviews on

the site. I am mass-purchasing a copy of this book for everyone I know in relationships because it's been of great benefit for me. If you have teenage/young adult children or are a teenager/young adult yourself, this book is primarily directed to you regardless of denomination or religion. Evert has taken 100 of the most commonly asked questions/objections and answered them with keen insight using logic, Scripture, papal encyclicals and exhortations, theologians (such as C.S. Lewis and G.K. Chesterton), and many modern day resources (including internet links). I can not recommend this book highly enough. It is also very effectual against America's modern-day morality (or lack thereof). The chapters are divided as such: 1. Chastity and the Meaning of Sex 2. Dating and Courtship 3. Preparing for Marriage 4. How Far is Too Far? 5. Pornography and Masturbation 6. Homosexuality 7. Contraception 8. Sexually Transmitted Diseases 9. Purity Renewed 10. How to Stay Pure 11. Vocations The Bibliography is integrated with the footnotes and is listed at the back of the book. It's a great one! Evert answers such questions as: 1. Why is premarital sex bad? 2. Can't we accept that people have different values when it comes to sex?
