Practical Theology And The One Body Of Christ: Toward A Missional-Ecumenical Model (Studies In Practical Theology)

Synopsis

Amid the ongoing acceleration of cultural interaction that accompanies globalization, it is more important than ever that practical theology be freed from cultural bias and united in a common christological understanding. In *Practical Theology and the One Body of Christ* Thomas John Hastings draws on decades of his own cross-cultural teaching and on current transformational models to develop a "missional-ecumenical model" of practical theology. By studying in detail the life and ministry of first-generation Japanese Protestant pastor Tamura Naomi, Hastings generates a real-life example of the practicality of his original model and offers a more global, alternative perspective on the religious education movement than what is common in Western societies.

Book Information

Series: Studies in Practical Theology

Paperback: 272 pages

Publisher: Eerdmans; annotated edition edition (June 25, 2007)

Language: English

ISBN-10: 0802817602
