# Providing Home Care: A Textbook For Home Health Aides, 4e

## **Synopsis**

The 4th edition of Hartman Publishing's best-selling home health aide training textbook, Providing Home Care: A Textbook for Home Health Aides is here! The textbook retained all of the elements that customers valued: - Content that reflects state and federal training requirements, OSHA regulations, and current CDC guidelines - Beautifully illustrated chapters organized around learning objectives - Clearly-marked procedures and color tabs for easy location of material - An accessible reading level, perfect for the many different types of students in today's classroom - Test banks that include chapter exams, as well as a final exam And was updated with the following information to reflect customers' needs: - Newly-released information about the USDA's MyPlate, as well as more information about special diets - Updated material about Alzheimer's disease and infection prevention - Reorganized chapters means that the common diseases chapter now follows the anatomy and physiology chapter (in addition, diseases are now grouped under their body system to reinforce a body systems approach) - Expanded section on death and dying - "Green" material that discusses ways to be environmentally friendly - New photographs

## **Customer Reviews**

I was using this book in class, they had the same textbook, but in mine I was able to high lite the important tasks and reminders and keep the book ready available to me for study and research. As Usual .com had what I needed. Thanks

This book is thorough in every aspect. It has good explanations of various procedures. I recommend it highly.

I love the book. Its an easy read and takes you deep into the skillsets one needs to know about home care. Well done D. Leahy! I bought the book in used form and its condition was OKAY as promised by the seller. I am satisfied.

The book is in good condition and it arrive on time. Very informative especially if you going to do anything in HHA. Very educational and provide lot of ideas and ways to make your job better. I love this book i learn so much from it.

this is a great book and also available is a work book. I ordered them both and it was delivered in a timely manner. product has great quality and I am very pleased with the info inside.

**THIS IS A VERY GOOD BOOK . IT IS VERY WELL WRITTEN AND COVERS ALL THE SUBJECT MATTER..WOULD RECOMMEND SAME TO ANYONE.**

If you are considering purchasing this book, don't delay. Get it from this seller. You won't be let down. I dilly dallied and once I decided to order it, I couldn't have been happier. It came in perfect condition and fast.

They said that the book are uses but I begged to divert they are practically brand new love it.Will buy again from this book store
