Customer Reviews

I had this exact calendar for 2016, and as a busy wedding planner I need a calendar with lots of room for me to write notes and schedules for each day of the week. I bought the same one on purpose for 2017, only I picked a different design for variety. This peacock is even more beautiful in person. Highly recommended!

Perfect product. I buy one every year and I like how the inside is always the same with a new outside design.

I buy these weekly planners every year. Great product for a great price.
