LSAT Practice Questions: LSAT Practice Tests & Exam Review For The Law School Admission Test

Synopsis

LSAT Practice Questions are the simplest way to prepare for the LSAT test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our LSAT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our LSAT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Book Information

Paperback: 342 pages

Publisher: Mometrix Media LLC (August 22, 2014)

Language: English

ISBN-10: 1630947687

ISBN-13: 978-1630947682

Product Dimensions: 8 x 0.8 x 10.9 inches

Customer Reviews

well I sure wasnt ready for THIS TEST. Mometrix and teamed together to offer me the opportunity to recieve this study guide and a hints and tips book for sucess with taking the LSAT test. The book came quickly and for only a dollar each with the condition I would leave a review upon my studying it. The questions are all as the test IS.. four right answers..read the presentation and pick the best right answer from all the correct answers. Its not an easy test to score well on and this book helped me to understand that its broke down into sections and each area will be graded upon my timed completion. This was a very valuable book as I sat with my timer and did some of the problems as timed ones.I am still working the book and will complete it all before I take the LSAT in November. THANK you Mometrix and for the opportunity to review and assess the work books.
