Invincible Iron Man Omnibus, Vol. 2

Synopsis

He's outrun Norman Osborn, and kept the database of superhuman secret identities safe and secure. But in doing so, Tony Stark has lost just about everything: his armor, his power - even his very mind. Now, at his absolute lowest point, it will take Tony's last reservoir of will - and a band of brothers including Thor, Captain America, War Machine and Black Widow - to keep from losing it all and sow the seeds for a brighter tomorrow. Stark Industries' arms-manufacturing days are over: Tony's new company, Stark Resilient, is bringing modern tech to the masses without bringing innocent people to their knees. But there's a competitor on the scene, a mother/daughter team with a very familiar name ready to pick up the slack with an armor called Detroit Steel. They've started a deadly game of international intrigue that will bring one of Iron Man's deadliest foes back into the fray - but for the Hammer girls, that was merely the opening salvo. With War Machine grounded by the Pentagon, Pepper missing the RT-charged heart that made her Rescue and Tony's Resilient team struggling to put their clean-energy tech into production, they're about to up the ante. Now, Iron Man's going to find out just what "resilient" really means. Collecting INVINCIBLE IRON MAN #20-33.

Book Information

Hardcover: 408 pages

Publisher: Marvel; First Printing edition (January 18, 2012)

Language: English

ISBN-10: 0785145532

ISBN-13: 978-0785145530

Product Dimensions: 7.5 x 1.2 x 11.2 inches

Shipping Weight: 3 pounds

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (15 customer reviews)

Best Sellers Rank: #597,758 in Books (See Top 100 in Books) #69 in Books > Teens > Literature & Fiction > Comics & Graphic Novels > Media Tie-Ins #437 in Books > Comics & Graphic Novels > Comic Books #470 in Books > Teens > Literature & Fiction > Comics & Graphic Novels > Superheroes

Customer Reviews

This review is written specifically for persons who haven't bought the single issues contained in this volume but who bought the previous collection and or people who bought the individual issues and don't yet own another collection of them in any other form. Is this collection worth it? Definitely. The

volume contains high quality paper, solid binding, over-sized pages and a beautiful dust jacket and provides real value for money. Easily superseding the quality of DC's Legion of Superheroes Deluxe editions or Invincible Ultimate Collection HCs for example, Marvel also paid attention to detail and took the admirable step of trying to make this volume fairly identical in feel and quality to the previous volume so that there's some consistency between the two, right down to using red as the color for the inner Boards and pages. Presentation-wise therefore, this gets five stars and is a real steal for the price. Unfortunately, it's the contents that don't fully manage to keep up. Containing issues 20-33 (14 as opposed to the 19 issues in the first volume), this collection contains basically two stories; Stark Disassembled and Stark Resilient. Disassembled is a likeable and fairly entertaining story in which Tony Stark is in a persistent vegetative state after the events of the first volume and needs to be "rebooted" by his most trusted friends and allies, including Thor and Captain America. It's a story that perfectly highlights Tony's hubris, brilliance, vulnerability and narcissism all at once, and moves along at a reasonably good pace, so that, despite the fact that Tony doesn't do a whole lot, there's enough going on around him that the story never fails.
