Customer Reviews

I got this for my kid and I think she loves it. She got confused at first because the main characters were using guns and there are no guns in minecraft she played. Anyways, sheâ™s still reading the book and liked it. 5 stars for keeping my daughter busy.

The author has done a great job with this book. The story is great and it kept me interested from the

very beginning until the end of the book. I loved the characters, Jane and John, they are awesome going up against an army of zombies. This is a fun - thrilling book I really enjoyed it. This book is very well written and has a great plot to it. I can't wait to read more books, the author Billy Miner has to offer.

My kids love this book

The only thing "Minecraft" about this book is that it's set in "Minecraft City". Very disappointed in purchasing this book. The characters destroy zombies with guns
