Spot 7 School

Synopsis

On each spread of this themed book there are two photographs that look the same...but seven things have changed from one photo to the other. The trick is to spot all seven! Includes a riddle on each spread and extra things to look for throughout the book.

Customer Reviews

My 3 1/2 year old son loves the I-Spy book series. The Spot 7 books are definitely challenging-- two facing pages contain almost identical photos, with seven minor changes. Very challenging, but quite fun. This may be frustrating for some kids, but others who like to search and find will think it's a blast. Plus, there are riddles and hints at the back of the book to help.
