Glitter Tattoos Unicorns (Dover Tattoos)

Synopsis

In medieval lore, the unicorn was believed to hold powers of healing and good fortune. Now you can bring the magical realm of the unicorn into a child's world with 6 magnificently designed glitter tattoos. Easy to apply to arms and legs, each enchanting tattoo will transport little imaginations to a land of myths and legends.

Customer Reviews

I am currently buying this to go with a Toy Tote by Playmate to enhance my child's fun with her Unicorn playmates with whom she is fascinated. You know how these things go: "Mom, my unicorns are in their box playing with one another. They are crossing the bridge. They are jumping the fence. I want to be a unicorn, Mom! Will you be one too?" So in order to help her feel like she is a Unicorn I got her these Unicorn tattoos: enhances her magical powers and she PLAYS QUIETLY FOR AN HOUR fantasizing with her unicorns and her box since, she too, is now a Unicorn! STOCKING STUFFER: I will get her a new pack to put in her stocking SO SHE CAN GET ALL HER MAGICAL POWERS BACK. She will also find a new Unicorn Coloring Book in her stocking this year: BIG stocking. Unicorn Magic (Wonder Pets!) (Color Plus Chunky Crayons) Look in BOOKS for other UNICORN COLORING BOOKS. They even have some that are adult oriented so you can

color too: with or without the child. Unicorns Stained Glass Coloring Book (Dover Stained Glass Coloring Book) Goldilicious (Pinkalicious) TO GO WITH COLORING BOOKS: When I buy my daughter a nice coloring book, I generally get her the tattoos and stickers that blend with its subject matter. She is old enough to put the tattoos on herself (6) and has several sticker albums.
