Customer Reviews

It starts out with beginner level puzzles, which is ok, but the answers are lame. The 9x9 section is better, but the phrases used for the puzzle answers are childish, ridiculous, and boring. Once the puzzles were solved, I thought the answers were stupid, and it was a stretch getting them to work in. They mostly had to be diagonal, so the nonsense phrases could be made out of those letters. I think this is for brainless girls, but I don't know how many would want to do word sudoku puzzles. They would have other hobbies.
